NEW YORK, Feb. 12, 2020 /PRNewswire/ -- Greenstein & Milbauer, LLP, a law firm based in New York City, has filed a lawsuit in Kings County Supreme Court (503184/202), alleging John Samici from approximately 1980 through 1984, repeatedly sexually abused a minor who was a student at PS/IS 104, The Fort Hamilton School located at 9115 5th Ave, Brooklyn, NY 11209. The lawsuit alleges that throughout the period in which the abuse occurred, the Defendants City of New York and New York City Department of F/K/A The Board of Education of the City of New York negligently employed John Samici and retained employees such as John Samici who sexually abused minor students and gave John Samici access to children.

This lawsuit was filed under New York's Child Victims Act which allows innocent victims of child sexual abuse, like this child, the opportunity to seek compensation and hold their perpetrators accountable. Prior to the enactment of the Child Victims Act last year, the statute of limitations would have already expired for this child sexual abuse victim. Greenstein & Milbauer, LLP has filed a lawsuit against City of New York and New York City Department of F/K/A The Board of Education of the City of New York on behalf of this adult survivor of child sexual abuse.
